2. Description of target market, including likely objectives, financial situation and needs

The features of this product, including its key attributes have been assessed as meeting the likely objectives, financial situation and needs of consumers who:

- satisfy our eligibility criteria, including (but not limited to):
 - being 18 years or older at the time of application;
 - being resident of Australia; and
 - receiving sufficient and consistent income;
- require a loan secured by owner occupied or investment residential property for the purpose of:
 - purchasing residential property;
 - refinancing a loan secured against residential property; and/or
 - accessing equity in a residential property;
- require the flexibility of a variable interest rate;
- may require the option for a sub-offset account for deposits to offset interest;
- may require the option to access redraw from the sub-offset account;
- may require the ability to make unlimited extra repayments.

Whilst variable interest rates fluctuate, the product has been assessed as meeting the likely objectives, financial situation and needs of consumers in the target market because it allows them to make additional repayments and/or deposit funds into a sub-offset account to reduce interest payable whilst retaining the ability to draw on those funds when required.
